Evergreen Gymnastics

Dear Moms and Dads,

We would like to welcome you and your child to Evergreen Gymnastics! The staff here at Evergreen is very excited to teach your children gymnastics in a fun, and safe environment. For liability reasons, we ask that parents not come into the gym area (except for **Tumble Bee** parents). To keep your Tumble Bees and Bears safe we ask that you **dress them in proper attire** (leotard or gym shorts and a T-shirt are best), **tie long hair back, no jewelry, and no shoes, socks, or tights.**

Gymnastics is the basis for many sports and activities. That's why in our Tumble Bees and Bears classes you will see lessons that incorporate learning as well as Gymnastics. Our lesson plans are designed to be conducted two weeks in a row. The first week is to learn the skills and the second week is to master that skill. Every two weeks we will have a new theme with new activities and skills for your child to learn. Every month we will handout a calendar of our themes for that month. This calendar will also include fun activities for you and your Bee or Bear to do at home! We look forward to a great year with your children!

Thank you,

The Evergreen Gymnastics Staff
